foreword

Denison University is known throughout the country as a Christian college of Liberal Arts. In this years Adytum, we have sought to tell the story of our university in a clear, concise manner, but still in an imaginative fashion.

If we cared to title our theme, it probably would be best called, "The Four Phases of College Life," Academic, Religious, Athletic and Social. We present a maximum of pictures and a minimum of script hoping to stir your thoughts and memories about this year in the years to come.

Of one thing we are sure—we have attempted to produce one of the most unusual and outstanding yearbooks in the history of Denison. If in looking through this book, you feel that the year 1954 has been treated fairly, adequately and tastefully, then we are well rewarded for our endeavor.

DEDICATION

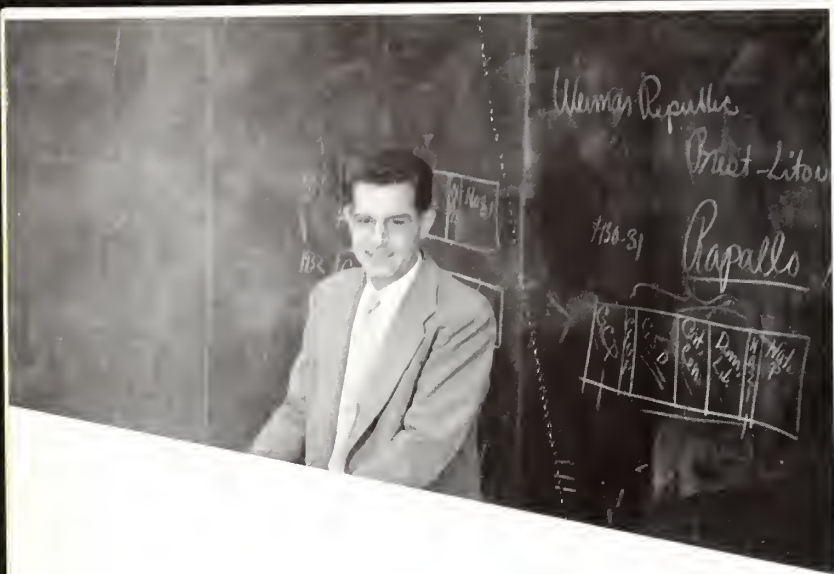

to a friend

Vice President and Dean Cyril Fuller Richards—we proudly dedicate this 1954 Denison Adytum. Because he was Acting President when we entered Denison we like to think that we were “his” class. To claim this would be meaningless had he not made us his—as he did each class—by helping us discover that portion of the truth it is our privilege to hold and use. By word and deed he counseled well—so that our college years became the unforgettable period of self-discovery he promised when first we heard him speak. For our class—and for some dozen classes that preceded us—we express our gratitude to Dean Richards as one who always stood taller than our books and who kept an open door, an open mind, and an intellect we looked to with pride as the measure of values at Denison.

study in studies

"East side, west side, all around the Quad . . ." the nooks for studying are many and ingenious. The library is, of course, the most popular place; next is the dormitory. But study is not confined to the desk and the textbook. Laboratories provide specialized equipment and there's a place under the trees for leisurely work.

*A stupendous way to study
and yours for a price:
artistic talent.*

*The "wealth of the world"
is tucked away in a hundred
little drawers.*

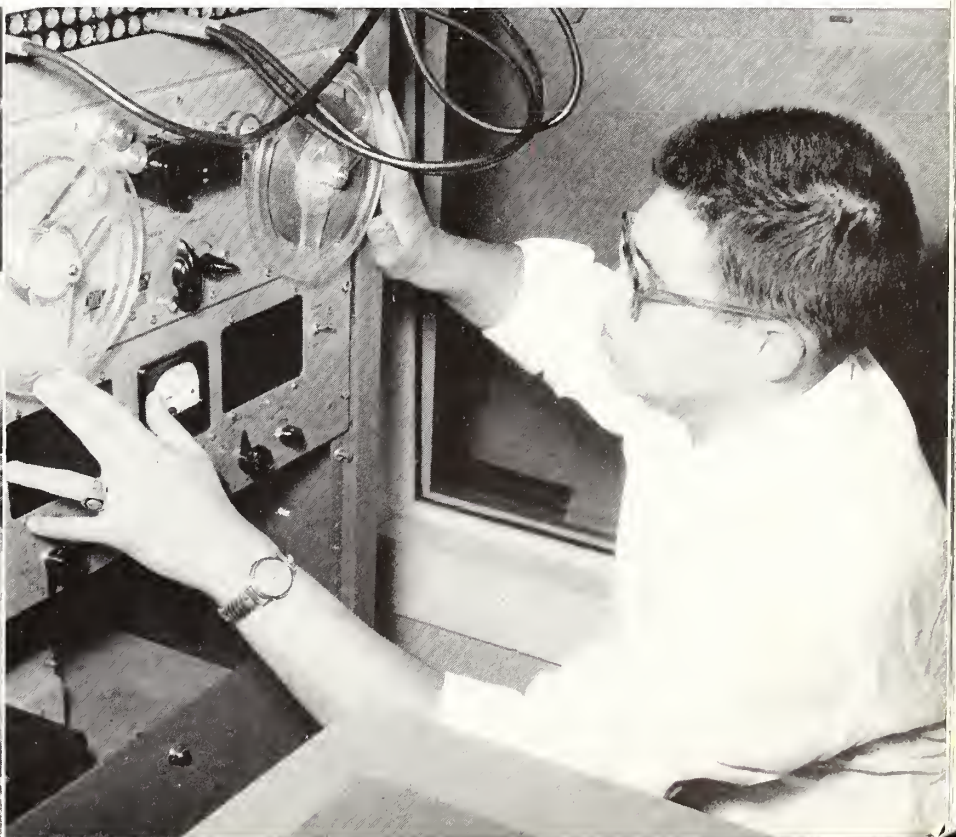

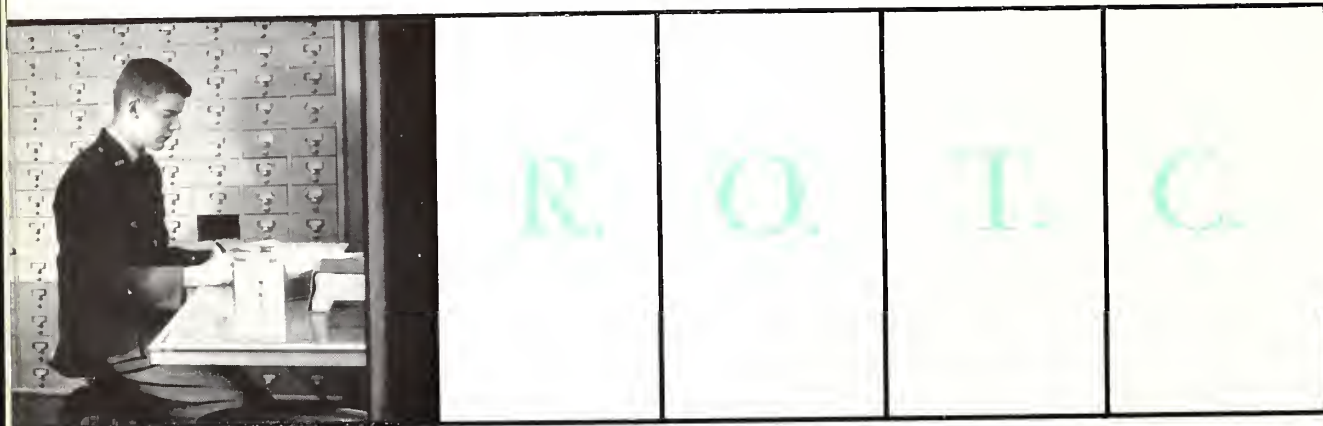

a c a d e m i c s

In a dreary, work-a-day afternoon there is nothing more stimulating than a good book in a quiet room.

The opportunity to escape from the textbook is afforded in the lab.

Practical application of class material is found in the radio station.

The Denison University Unit of the Air Force Reserve Officers Training Corps., had its beginning in the summer of 1952 at Ohio Wesleyan. A small group of upperclassmen, to qualify for the unit, went there for extra training. At Commencement 1954, these men became the first graduates of the group by being sworn in and receiving their commissions. Also this year the AFROTC unit sponsored the First Annual Military Ball and held a review in honor of the mothers.

A stirring group, these men form the ROTC Color Guard.

Music is a part of every phase at Denison and not restricted to Recital Hall. Special Programs, such as the Licking County Philharmonic, are presented, and special uses, such as in the theatre and at football games, are made of music.

some

A freshman is practicing to take her place among the Denison musicians.

This heavenly-sounding instrument is one of many played by Denisonians.

Our day with the wife of the late President of the United States was a stimulating one, culminating in an effective speech and question period on Human Rights, her particular interest and endeavor in the United Nations. Mrs. Roosevelt met and talked informally with a large group of students and faculty immediately after her speech in Swasey Chapel.

“my day”

life and the student

Through the combined efforts of the Glee Clubs, A Cappella Choir, the Chorus and guest artists, "Orpheus" was presented in the spring.

The sound of voices

At Christmas the campus singing groups present as a traditional program the "Messiah," which Karl Eschman has directed fifty times. The spring program is changed each year but is always a valuable contribution. Accompanying these programs is the orchestra comprised of students, faculty and villagers.

The Men's Glee Club presents its program following its Spring Vacation Tour.

An old-time movie was the subject which brought the Phi Gams first prize in the skit contest.

The Bonds of Friendship chorus carried the Sociology theme between the individual skits.

The women have their inter-murals just the same as the men do. This volley ball game between two sororities is just one of the sports.

What is really worth holding

The big football games call for a little rally the night before. Here the crowd sits and listens to a talk by Coach Jack Carl.

The torch parade gets held up at the girls dorms.

This phys ed room in the Big Wam offers just about any kind of equipment the aspiring man could wish for.

The girls and their horses seem to have found an easy way to work off those necessary credits for graduation.

Densions athletic program is one of the most outstanding in the country. It gives every one the chance to participate in some way; either varsity or inter-murals. A wide variety of sports are offered and you can always find someone who enjoys the same sports you do regardless of whether it is handball or tennis.

The D-Men are always in attendance at the pep rallies. The rally before the Homecoming game also brings alumni.

Lady Robin Hood seeks her marks and usually manages to find the bulls eye.

b o

Three lovely Homecoming Queen candidates roll down Broadway in their convertible coach.

The theme for all Homecoming decorations was "The Novel." Each group had a representative dressed like the title.

Everybody comes to the Home-coming parade including Harvey and Ginger.

DENISON: LET'S START A "REVOLUTION" TO BOOST
OUR SIDE, AND BEAT THE "DICKENS" OUT OF WOOST

HOME, SWEET HOMECOMING

One of the gayest of weekends in the year, Homecoming is also one of the busiest for everybody concerned but especially the alums for whom it is intended. The whole spectacle of parade, decorations and football game is presented for their pleasure. A dance in their honor and many reunions make it a colorful weekend.

the winner!

In good spirits the Phi Gam whalers caught Moby Dick and first prize on the same book with this novel float.

"Don Quixote" of Phi Delt fame charges onward.

The SAE's put "Giants in the Earth" for Denison.

Wooster on trial in ACC version of "I the Jury."

Worthy of first prize for houses was Chi O's effort.

From the ocean came this foe of Wooster.

In parade and game the bell tolled for Wooster.

*dad's

their
day!*

Denison students are honored by their Dads all year and think it only fair to turn the tables pleasantly and dedicate a weekend to fathers. Banquets are given for them and a football game is played in their name. A representative Dad is honored as proxy for all Denison fathers.

The Big Red team managed a 34-20 victory over Wittenberg to honor Dads.

W. B. Ames, representative Dad, makes a sage, fatherly address.

BERMUDA SHORT DAY

The conveniently written challenge of one Easterner to a pseudo-Brother Brooks, found its way to the Editors of the Denisonian. The challenge did not long remain in the hands of two, but when published, became a campus wide call-to-sides. As a matter of principle some remained true to Robert Hall. As visual evidence of the other half we herewith present to you the principle exponents of Eastern garb.

Because of proper attire a fashionable Denisonian finds himself in demand.

Sneakers are tweedy-est with knee socks according to people who know.

RUSHING

Any frosh is a picture of calmness as he gets ready to visit the various houses.

Dean Bayley is always on hand before four to see that rushing rules are upheld.

Playing "starter" for Denison's main racing event is the Inter-Fraternity president.

The Sigma Chis entertain the freshmen rushees in leisurely fashion.

The fraternity system, which is almost synonymous with rushing, is an important part of life at Denison. Over ninety per cent of the men on campus belong to one of the nine fraternities. Pledging gives the freshman the opportunity of close association with other men who share his interests. In this way the individual learns the art of living and the worthiness of every individual. The rushing system is designed so that every rushee has the opportunity to visit each of the houses, to find the one where he most feels at home.

First impressions count as the freshmen are hurried through rushing.

Every man has the opportunity to visit all the houses before pledging.

sorority circle and the denison coed

Rushing gives a compact picture of daily sorority life at Denison. The role of the hostess is obvious during rushing and carries on throughout the entire year. Singing and various talents are aired more often and no less enthusiastically than usual. The night of pledging attracts a crowd of laughing men, but it is important to the women because they receive the new sisters en masse.

An enjoyable part of rushing is the skit at the Novelty Parties.

Approaching Sorority Circle from the dorms and the Drag, women enter an atmosphere of homey closeness at the lodges.

Greetings at the door on pledging night are warm and enthusiastic.

The newly conceived bicycle races provide many laughs.

- day

D-Day is the one day of the year that causes wild speculation, and gives everyone an excuse not to study. It found its start during the war and has flourished ever since. Every D.C.G.A. officer attempts to keep it a secret, but such things as the purchase of 2,000 donuts keep people guessing.

Charades gives everyone a chance at the theatrical.

The Freshmen and Sophomore tug of war decides the fate of the frosh and his beanie.

Anyone in the tug of war who manages to keep reasonably clean gets a special dunking.

TIS may day

Many future May Queens are included in this enthusiastic group of attendants who danced, sang and scattered flowers in the present Queen's path.

May Day is Denison's answer to the radio program, "Queen for a Day." The reigning beauty is chosen by the men from Senior candidates nominated by the Sororities. To gain even the distinction of attendant to the Queen a girl must be outstanding in every phase of college life and in every way worthy of representing her group. For those selected by the Sororities, May Day is the crowning glory of four years; for the one selected by both her group and the men, May Day is one of the outstanding days in her life. She is traditionally gowned in robes of white for her formal presentation and is crowned with a coronet of flowers along with official titles in Latin from Dr. Dean.

The May Queen Nancy Eshelman and her escort majestically leave the Coronation scene.

The Queen oversees the festivities surrounded by her ring-and train-bearers.

DR. A. BLAIR KNAPP

Fresh, vigorous leadership arrived at Denison with Dr. Knapp. Building, increased enrollment, strengthened personnel services—these are some of the innovations that have been wrought during this President's Administration. His annual chapel talks, keeping the students informed on matters with which the college is concerned, reflect the enthusiasm, friendliness and ability which are shown in Dr. Knapp's administration and are the reasons for his popularity with students, parents and alumni.

Dr. Knapp addresses the student body at one of the Monday morning Chapel services.

Bonds of Friendship capitalized on President Knapps availability as a car washer to help increase their proceeds for the annual show.

Vice-President

CYRIL F. RICHARDS

Dean of the College Cyril Fuller Richards is honored by generations of Denisonians as the man who helped make their educational dreams come true. He has long made the sunshiny east office on the second floor of Doane the fountainhead of Denison's high academic standards and such student privileges as directed study, trans-departmental majors and honors projects. That his efforts have not been in vain and have been agreeably received by students and faculty is shown by the achievement of the Class of 1954 and the ever-increasing reputation of Denison as one of the outstanding colleges of Liberal Arts and Sciences of the Midwest.

ADMINISTRATION

ADMINISTRATION

Dean of Men

FRANCIS C. BAYLEY

Denison's Dean of Men, Francis Bayley, has worked increasingly for cooperation, understanding and unity between administration and the men students. In addition to his untiring efforts in this capacity, he has also served as military counselor. Since 1946, Dean Bayley has been the respected men's advisor on questions of conduct and living conditions. Mrs. Jones, the Dean of Women, has served ably and well in her handling of the non-academic activities of the women students. She acts as supervisor of every phase of women's college life and as advisor for many organizations.

DCEP

The Denison Christian Emphasis program is a student organized activity which aids in increasing the strong sense of religion in this Christian College. Through the work of this organization, led by president, Dale Wolfe, the students were able to see more clearly the implications of daily living by Christian principles which are part of the Denison heritage. These principles deal with the solution of personal and campus problems, stimulation toward study and action concerning the world and its needs, and development of techniques of leadership.

Y. W. C. A.

The national YWCA functions as a co-ordinator of some of the women's service activities, such as Girl Scouts, mental hospital, Negro community and church nursery school. Under the leadership of the YWCA Cabinet, a variety of programs is planned and presented for the entire association.

AFROTC

The Air Force Reserve Officer Training Corps was established to train students as reserve officers in the United States Air Force. The cadets are given an over-all picture of the Air Force, not specialized training. To complete the course a student must spend one summer at an Air Force camp. Upon his graduation, the cadet receives a commission in the Air Force and then serves on active duty for a two year period. Draft deferments are granted to all accepted students and are void only in case of unsatisfactory college work. As freshmen, all men are urged to take part in this program. In becoming a cadet, they are not only receiving a college degree, but also a degree of security.

campus

Campus magazine, a student publication, provides an outlet for creative students—feature, art literature, and humor.

Brad MacKimm and his competent staff managed to produce four issues this year providing enjoyable variety to the most extreme extent.

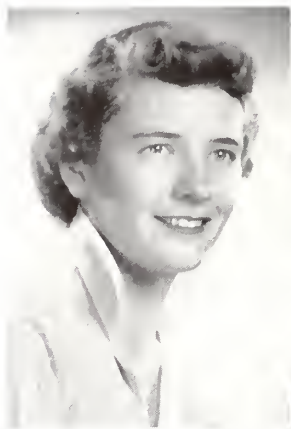

Several students felt the need for a strictly literary publication so a board of editors, with the aid of part of the senate reserve fund, published such an issue late in the spring, which was widely acclaimed as a success.

The DENISONIAN, under complete control of students and staff, is the weekly media of communication for the college.

This newspaper adequately covers every phase of "life on the hill"—and keeps the students well informed.

Pamela Erickson and Ann Creel were co-editors this year expressing their own viewpoints on the Editorial page. Richard Lugar's "Campus Clippings" will long be remembered for their individuality and unique personality; Pritch, Bulldog, and Wags, for their busy work and late hours producing

Many students have spent unlimited but rewarding hours on the fourth floor of Talbot writing, rewriting, proofreading, and laying out copy so that twenty-eight issues of the paper met the press and were in circulation this year.

Staff members were most surprised to find the meaning of "Adytum" in one of the previous issues. The Greek translation "Not to be entered," has been more freely translated to "innermost shrine or sanctuary" which is appropriate in describing the efforts of those who established the first yearbook, student produced, in 1882.

Adytum work began early this fall with picture taking, organizing, an editor's trip to the printers in Indianapolis; and extended through graduation as evidenced by the late hours, pounding typewriters, and cigarette smoke in the new office on the top floor of Talbot west. The staff secured an allocation from Senate which was primarily used to build a dark room and generally improve the quality of the book, addition of more color and elimination of previously used plates.

At Miami University, Oxford, Ohio, Sigma Chi had its national beginning in 1855. Just thirteen years later, 1868, Denison University saw the founding of Mu chapter. The ground was broken for the first house on the hill in 1929. The house which can hold forty-two men was occupied in 1930. After twenty years of hard work by both the active chapter and the alumni group, the mortgage was ceremoniously burned on October 15, 1949. With its seventy-six brothers, Mu chapter stands tenth among the one hundred and twenty-three active chapters in membership, to help comprise a total Sigma Chi membership that stands third in the Greek world.

The Denison chapter was formally instituted as Eta Eta chapter of Beta Theta Pi and changed to Alpha Eta by the National Convention of 1872. The history of Alpha Eta is affectionately dedicated to a gracious Denison Beta Wife and Mother, Mrs. Edith Walton Deeds who is largely responsible for the erection of the chapter house in 1927 on the Row. In 1953 a strong Alumni organization built the Francis Wayland Shepardson Memorial Addition honoring this member of the Class of 1882.

Phi Gamma Delta was founded at Jefferson College on April 28, 1848. Since that time the Fijis have expanded until today there are eighty-one chapters in the United States and Canada. Plans to organize the fraternity at Denison were made around a tombstone in the old College cemetery behind Curtis Hall on a spring evening in 1884. To commemorate this event the chapter included on its coat of arms a replica of the monument of Jonathan Going, a former president of the University. The charter of the Lambda Deuteron Chapter was granted in 1885 to eight men. The Fijis, who now boast 814 men on their chapter roll, live in the Georgian colonial Chamberlin Lodge on the south side of Fraternity Row.

Kappa Sigma was founded at the University of Virginia in 1869 when four students felt the need to organize. The strength of an ancient Italian organization inspired them to transplant the ideals of protective brotherhood to the United States. In 1899 at Denison, four students met in Talbot Hall and formed a brotherhood known as Beta Alpha Delta which in 1910 became one of the first chapters of Kappa Sigma in Ohio and one of the strongest in the nation. The chapter house is Greek Revival architecture and an outstanding point of interest in Granville.

In 1848 Phi Delta Theta Fraternity was founded at Miami University, Oxford, Ohio, by a group of six men in need of a closely integrated brotherhood to serve each other and those members who might follow them. Today Phi Delta Theta is one of the largest fraternities in the world with a membership of 80,000 brothers. The Denison chapter of Phi Delta Theta was founded in 1915 and was located in the building that now serves as dining hall for the upper-class women. It was the first fraternity to build its house on Fraternity Row, the house being completed in 1928.

The inception of Lambda Chi Alpha did not occur overnight. The Cosmopolitan Law Club, which in 1909 became the parent of Alpha Zeta, the first unit of the fraternity, was established at Boston University on the foundation of spiritual values. From that time on the Fraternity has expanded rapidly until today there are 146 chapters, the largest of any fraternity. The Denison chapter of Lambda Chi Alpha was founded in 1919 and was installed under the name of Gamma Iota Zeta, alias Sycamore Club. The dream of a house on the hill began then and came true in 1953, through the concerted efforts of the alumni and actives.

Sigma Alpha Epsilon was established at the University of Alabama in 1856 by eight close friends. Despite many obstacles including the Civil War the fraternity forged ahead and spread northward. With the completion of the Levere Memorial Temple in 1930 they became the first fraternity to establish permanent national headquarters. Today SAE has 136 chapters and membership of more than 86,000. Ohio Mu of Sigma Alpha Epsilon is the outgrowth of Omega Pi Epsilon which was founded in 1913 with the expressed purpose of affiliation with Sigma Alpha Epsilon. In 1919 SAE granted a charter to Ohio Mu.

Delta Upsilon was founded on November 4, 1834 at Williams College, Williamstown, Massachusetts, by a group of thirty who felt there was a need for an anti-secret organization. Delta Upsilon has since grown into an international fraternity with seventy-two chapters throughout the United States and Canada. In 1948 the trustees authorized the administration to select a fraternity for colonization on the campus. The idea became fact and Denison received the sixty-eighth chapter of the National Fraternity on December 3, 1949. Since then they have acquired a house and recently an addition to it.

In 1928 the local sorority, Theta Gamma Alpha, became the first national Greek women's organization on the Denison campus. After twelve years of working, saving and dreaming, Chi Omega claimed the big, white mansion at the top of sorority circle as its home. The sorority was founded on April 5, 1895 at the University of Arkansas. Since that time, it has become the largest national women's fraternity. Chi Omega was the first sorority to honor the place of its founding with a memorial. From the time Theta Gamma Alpha inhabited the little house across from the Stone Hall until the present, the group has made exceptional progress, climaxed by the mortgage burning, Homecoming, 1953.

When Indiana Asbury College opened its doors to women in 1867, four brave girls registered. One, Bettie Locke, was offered an honorary Phi Gamma Delta badge which she refused, deciding to found instead a society for women. Bettie and three friends were initiated in January, 1870 in a simple ceremony. Bettie took her vows before a mirror and then initiated the other girls. This started a chain reaction until now there are eighty-one Theta chapters all over the country. Built in 1809, the "Wee White House," the oldest private home in Granville, housed the members of Chi Psi Delta until 1929 when this local became Beta Tau chapter of Kappa Alpha Theta.

Delta Delta Delta was founded at Boston University in 1888 by Sarah Ida Shaw. During the first year of its existence Delta Delta Delta granted charters at two other colleges: Knox and Simpson. A non-sectional expansion program followed and today Tri Delta is established at 96 widely-scattered schools. After sixty-five years emphasis continues to be placed upon the development of the individual in and through an organization founded on friendship and service. Delta Chi Chapter of Delta Delta Delta, previously Sigma Delta Phi, was chartered in 1929 at Denison. The first Tri Delta house is now the residence of Dr. and Mrs. J. L. King. Kappa came to the Denison campus in 1928 when the local Kappa Phi, which was founded in 1898, was installed as Gamma Omega chapter. One of the oldest women's organizations to be established as a fraternity, Alpha Phi was founded by ten young women at Syracuse University in 1870. A pioneer in many ways, she was not only the first such group to build and occupy a chapter house but also the one who called the first inter-sorority meeting, predecessor of today's National Panhellenic Conference. Before becoming Beta Kappa chapter in 1930, the local group was known as Tri Phi. The present house was built on Sorority Circle in 1940. An important member of the chapter is "Mom" Carpenter, a Beta Beta Alpha Phi, who has been the Phi housemother thirteen years.

On a wintery day in 1897, four students at Barnard College of Columbia University met in a little room in the stacks of the library and pledged themselves to Alpha Omicron Pi, the sorority they had formed out of their friendship. That friendship grew and embraced new friends from coast-to-coast until today there are fifty-eight active chapters. Alpha Tau Delta was founded as a local sorority on Denison's campus in 1926 by thirteen girls in Beaver Hall. A year later they received a charter from the university and in 1930 the local group was granted a charter from the national sorority to become Alpha Tau Chapter of Alpha Omicron Pi.

Joining together to form a society based on their ideals of friendship, three girls at the Lewis School adopted Greek letters for their organization, and thus in 1873 founded Delta Gamma sorority. Beta Zeta chapter was established at Denison by the new method of colonization because of the unusual situation created on campus at the end of rushing in 1937, when there was a large overflow of unaffiliated women. The first meeting was held in Burton Hall and the charter members became active members of Delta Gamma in May of 1938. In 1939 the chapter moved into the present house on Sorority Circle.

With the close of admissions for 1953-54, Denison faced a problem: because of the number of women to go through rush, a new program was necessary in order to maintain the percentage of fraternity members on campus. Administration, faculty, Greek-letter groups and townspeople chose Pi Beta Phi as the organization best fitted to handle the job of colonization and establishment of a new chapter. A charter for colonization was granted and Pi Phi Eta, Colony of Pi Beta Phi, was established at Denison in 1953. Pledging occurred in February and in March the pledges were initiated into Pi Phi Eta at the house on College Street.

The 1953 grid team rolled up one of the best offensive records in Denison history. Jack Carl's team led by Captain Dave Maurer won seven games while losing only to Wesleyan and Mount Union by one point. The nucleus of this year's team was built around four graduating seniors—quarterback Dave Maurer, halfbacks Bobby Vogt and Don DeJong and guard Dale Wolfe. It was the outstanding work of these men on offense and defense that enabled Denison to carry out its winning ways. Also sparking the team were fullback Ray Volz on offense and freshman Walt Nadzak on defense. The most valuable player award went to halfback Bobby Vogt whose 17 touchdowns and 9 conversions came close to breaking the Ohio Conference scoring record. In addition to this award Bob received Little All-American honors, was on the All-Ohio team and All-Conference team. Also on the conference team were DeJong, for the second time, Wolfe and Andy Deeds. The outlook for next year is good as only four members of the squad are graduating. However those four men all held key positions on the squad.

Attempt to gain the necessary yardage for a first down is stopped by the Lake Forest line.

Sidestepping one tackler, stiff-arming another, Vogt shows running form that made him Little All-American.

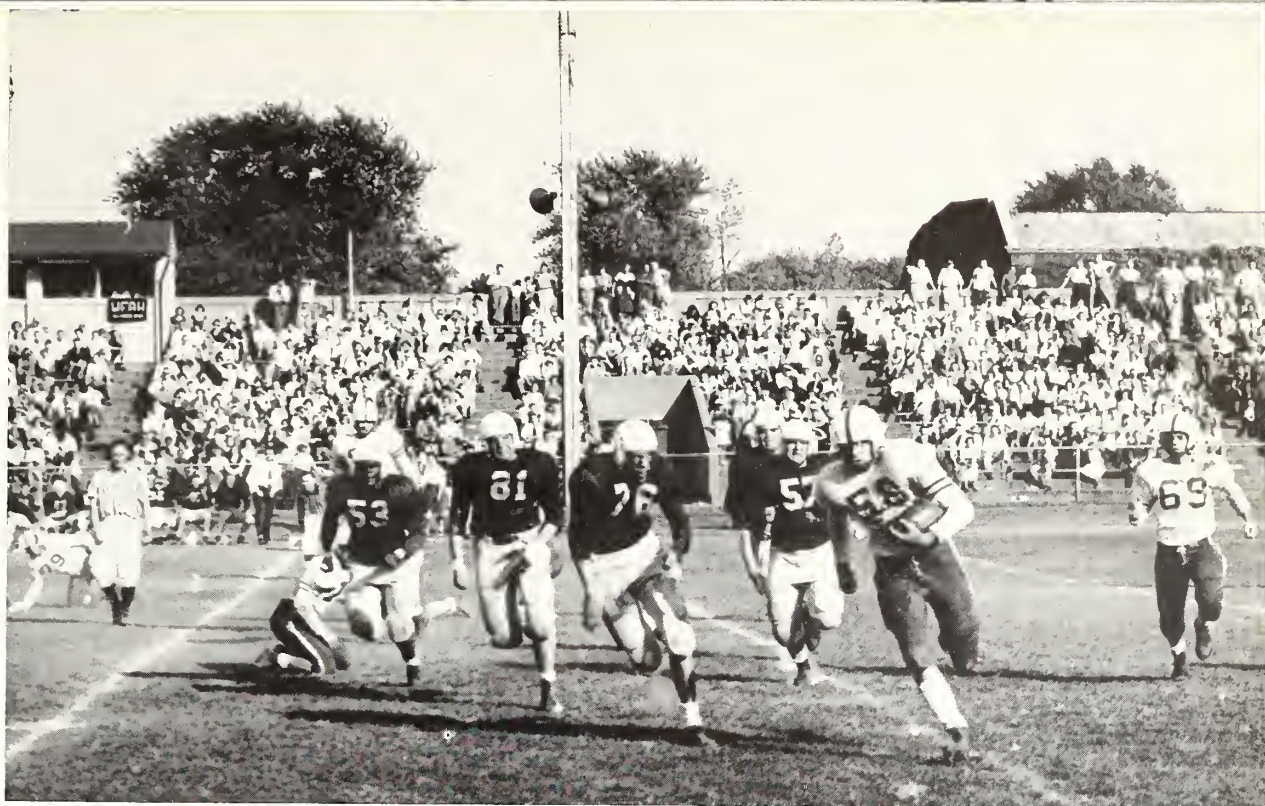

DENISON 60 LAKE FOREST 18

The highly publicized defensive team from Lake Forest met a determined Denison eleven and came out on the short end of a 60-18 score. The supercharged Denison offense, led by Bobby Vogt and Ray Voltz, was more than ready for the first game of the year. It seemed as though Denison was able to score whenever she pleased as the second team proved just as effective as the first. Our defensive work proved to be as good as Lake Forest's was expected to be. Bill Haynes made the play of the day when he intercepted a field of tacklers behind him.

Total First Downs	144	106

DENISON 24 W and J 14

The strong defensive play of end Don Dejong and freshman Walt Nadzak was the deciding factor in Denison's win over Washington and Jefferson. Dejong's hard tackling caused two fumbles which set up touchdowns. In the second half Nadzak continually broke through the line to stop ball carriers before they could get under way. Offensively Vogt continued his scoring ways by adding two touchdowns and two extra points to his season's total. The best run of the day was made by fullback Ray Veltz when he took the ball 68 yards through the Washington and Jefferson team to ice the game for the Big Red.

Voltz runs around end to score one of his three touchdowns against Mount Union.

DENISON 27

Mt. Union 20

The first quarter proved to be the downfall of the powerful Big Red. Without the aid of quarterback Dave Maurer they were completely at the mercy of Mount Union. The Raiders pushed over three touchdowns before Denison could regain any semblance of a team. It was only the return of Maurer and the fine offensive work of Ray Voltz that kept Denison in the game. Voltz scored three touchdowns as he played the best game of his career.

DeJong catches pass from Maurer but is stopped by Wooster tackler.

DENISON 26

WOOSTER 10

The difference between victory and defeat was halfback Bobby Vogt. Once again Vogt was in the driver's seat as he scored three touchdowns and kicked two extra points. His best runs of the day were 78 and 24 yards runs. However, he was also the man who was called upon for the extra yards needed for first downs. This game was the best team effort to date. The fine play of Piper's linemen and their vicious tackling were too much for the Wooster offense.

DENISON 20 O WESLEYAN 21

Denison was handed its second heartbreaking defeat by the battling Bishops in the last 40 seconds of play. The Big Reds lost their spirit and broke under the pressure of a spread pass formation engineered by injured quarterback Bobby Hancher. Two passes in the final minute and a clutch conversion saved the day for Ohio Wesleyan and caused Denison its second loss by one point. Once again the person who kept Denison in the game was halfback Vogt. He scored all three touchdowns and converted one extra point. He made runs of 56 and 53 yards as he led the Denison offense. His punting was another decisive factor. The long and accurate punts kept Wesleyan in trouble most of the game.

DeJong makes key block for substitute halfback Bill Haynes.

Ronnie Willis closes in on ball carrier.

DENISON 7 MUSKINGUM 0

The Big Red turned in their fourth victory of the year but were trounced statically. The strong offense never seemed to get underway. End Don Dejong made the only score of the day. He caught one of Maurer's passes on the 35 yard line and legged it down to the 12. One play later he jumped high in the air and caught the winning pass. Although the Muskies kept Vogt bottled up on offense they were unable to combat his long and wellplaced punts. The defensive work of end Walt Nadzak contributed much to the Denison defense and shows promise for the future of Denison football. Denison was able to get only six first downs while Muskingum piled up 15. The weather played an important part in the game as neither team's offense could function properly.

Maurer laterals as tacklers close in.

Willis stopped by Wittenberg line in an off tackle play.

Maurer temporarily slowed up in dash for first down.

DENISON 27

OBERLIN 20

Dave Maurer was the spark that lit the flame under the Denison attack. His completion of eight passes out of ten attempts proved to be too much for Wittenburg. Vogt scored only one touchdown on a 39-yard run but as usual he was good for three or four yards at a time. Dejong was outstanding on both offense and defense. Ray Volz added two more touchdowns to the Denison cause.

DENISON 34 CASE 27

Bad weather and a bad first half proved to be too much for Case as Denison snowed them. Case had a minus nineteen yards to show in the first half for rushing. Vogt's running and accurate punting gave Denison a 20-0 lead at halftime.

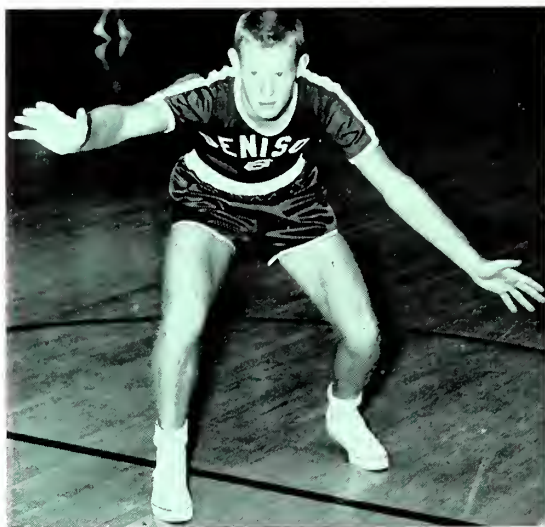

However, a refreshed Case team came back and set Denison on its heels temporarily. Although the game seemed close Case was trounced statistically.

DENISON 34

WITTENBURG 20

A three touchdown spurt in the last quarter gave Denison a win in their final encounter of the year. Denison seemed helpless at the hands of the Yeoman for the first three periods. Bob Vogt led the attack with two touchdowns, one a 70 yard run, but was unable to gain the 22 points he needed to break the conference scoring record.

basketball

John Tegmeyer

Despite its 10-10 record and the usual lack of team Co-captains DeJong and Jones did more than their support the Big Red Hoopsters had the best season since 1944-45. This is quite an accomplishment in as much as the team was inexperienced and was under the guidance of a new coach. The team, although it had four of last year's starting five back for action, lacked experience as a team in the number of years played in college competition. This was the reason for its cold and hot streaks which the team had throughout the season. Several times when the score the game by bad passing and inability to hit.

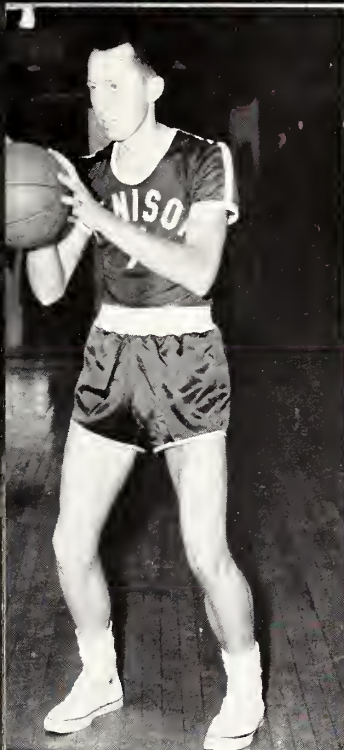

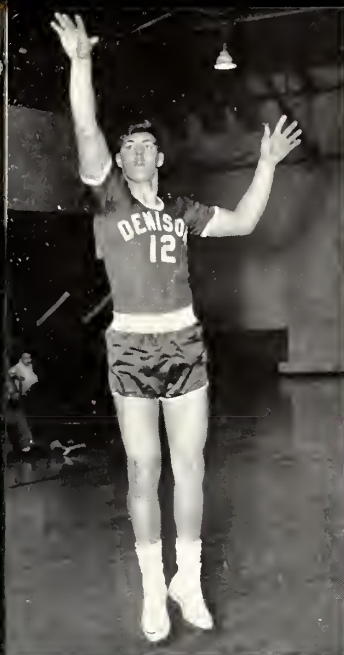

was close the boys lost their poise and threw away share of work. DeJong's mark of 303 points this season helped him to set a new three year scoring mark of 922 points. Bob Jones is one of the best all-around basketball players in history. The only reason why he didn't score more points is that he didn't shoot enough. Whenever Denison needed a couple of baskets it was Jones who got them. Outstanding underclassman for the year was frosh Mitchell who tied for scoring honors with DeJong. Also he established a new single game scoring record when he hit for 37 points against Muskingum. Coach Yard cited him as one of the team's players and said that he has a possibility of breaking all-team scoring records.

Keith Piper's baseball squad got off to a tremendous start but lost out in the home stretch. After a 12-12 tie with Capital, they went on to win five straight against Kenyon, Wesleyan, Oberlin, Capital and Muskingum. After the Muskingum game Denison was unable to regain her winning ways. The reason for their mediocre showing seemed to be a lack of hitting power. Of eight regulars only two men were able to hit over three hundred. Bob Vogt led the team with an overage of .380 while Ken Thompson was next in line with .333. Several freshmen did a good job.

Dane Macomber winds it up.

The Cindermen got off to an early start using the fieldhouse track to compete in five meets before going outside. Before Jack Carl left he led his team to a second in the Ohio Confer-

ence meet, a win in a quadrangular meet over Akron Capital and Mount Union and two losses in dual meets with Western Reserve and Ohio Wesleyan respectively. Once they

got outside the team fared a little better. They took on Wooster in a dual meet and won 73-54. In their next two meets they were second and first respectively. The most lopsided win of the year came against Wittenburg as Denison won 97-3. The team rounded out their dual meets by losing to Muskingum and Oberlin. The Conference meet was a repeat performance of the indoor meet as Denison again placed second to Wesleyan.

track

Denison did little more than to play host to 220 top-flight trackmen representing 17 midwestern colleges in the first annual Walter J. Livingston relays. Five fieldhouse records were established in new events. The star of the day was Jim Podoley of Central Michigan who won two firsts and two seconds and set a new record for the broad-jump. Sloan-Wesleyan, Coldren-Ohio State, Jones-Miami, and Miami's two mile relay team also broke records in the pole vault, mile run and shot put.

golf

Under the guidance of Hube Foster, Chuck Peckham and the golf squad brought home more than their share of victories. They won eight matches while losing three and tying one. The team took a third in the Ohio Conference Match and ended up sixth in the Ohio Inter-Collegiate Match played at Ohio State. Chuck Peckham, Bob Stewart, and Phil Rouse shared medalist honors almost evenly. Stewart came in with the team's medal score for the year with a 72 against Kenyon in the final match of the year.

The 1954 tennis team was one of the best in Denison's history. They compiled a record of eleven wins and two losses during the year and finished up by walking away with the Ohio Conference Crown. Led by Captain Bill Bowen, they were victorious in all their conference matches, losing only to two out-of-state teams during spring vacation. The addition of frosh Jerry Florez accounts for a good part of the team's success. Next year's team promises to be as good as or better than this year's as all the lettermen are freshmen, sophomores and juniors.

 3rd Row—Harper, Roudebush, Nichols, Gallup, Rothman, Sutherland, Obbard, Patton, Cornell, Bradner.

Although they got off to a mad start, the 1953 soccer team showed great improvement over last year's team which could gain only one victory. Led by co-captains Bud Miller and John Hunting, they started the season by losing four straight and ended it by winning four straight. For the most part Kenyon and Oberlin are the teams which kept coach Bradner's squad from having a winning season. Four of their six losses came at the hands of these more experienced players. Denison's offense was led by Dick Annoh-Oprensen, Dave Robinson and frosh John Maynier. Aiding them was the outstanding defensive work of Dave Nichols, Dave Wyse and Bud Miller.

3rd Row—Johnsonbaugh, Schilliday, W. Barringer, Wucher, Lewis, Savage, Baumes, Snell.

Coach Rix Yard's team completed its second year of varsity competition still searching for its first victory. However, this is a poor indicator of success. The stickmen worked hard all year but were hindered by a loose defense. They allowed 111 goals to go into the nets. Offensively they improved tremendously. The 38 goals were four times the number they garnered last year. The main problem seemed to be a lack of experienced players. Lacrosse is played mainly in the East as most of the team members are playing for the first time. Next year should show a much improved team.

intramural

Fijis, Brickman and Bosler air dribble down the field.

The 1953-54 Intramural race started off with the Phi Gams again taking the speedball title. However they had to meet the Kappa Sigs in a playoff before they could claim the trophy. The Betas and Sigs got their first points in touch football and tennis. The Betas were unbeaten in 9 games and Florez and Smith easily won all of their matches.

The Winer sports schedule saw the Sigs taking the "A" league basketball and the Kappa Sigs and Betas tying for the "B" league crown. The Betas gained valuable points as they successfully retained their wrestling crown. In the minor sports the Lambda Chis and the Betas were victorious in table tennis and handball respectively.

The final drive for the intramural trophy started after Spring vacation. The softball title went to Roy Volz and the Kappa Sigs, while the volleyball title went to the Sig Alphas. The linksmen from the Beta house nosed out the Phi Gams by two points. The final event of the year was a most fitting climax to a good year of intramurals which came as the Kappa Sigs took first place in the track meet. However they were unable to gain enough points to overtake the Betas who had already captured the trophy. The Sigs finished second and the Kappa Sigs third.

With a new office in Cleveland Hall the Women's Recreation Association completed a successful year with athletic and recreational activities for Denison women. Highlights of the year included a revision of the W. A. A. constitution, the Freshman Banquet, sports wind-ups, and the annual spring banquet followed by Red Squaw Night. Sports days with nearby colleges provided extramural activities for active participants in the intramural program based on individual, class, and sorority competition. Recipients of loving cups awarded for 1,500 points were: June Emmett, Joyce Mende, Mimi Ragsdale, and Joyce Slayton. Jean Race won the Final Award, the highest award given by the Association.
